First-Time Author Releases New Children's Christian Picture Book About Her Son, His Friends, and Their Special Christmas

New Paws and Claws Publishing author Jill Dickerson wrote this book to record her memories about her son, Jack (Cuddlebug), and his four best friends. Their story takes readers and listeners through sledding fun and aromatic baking on Christmas Eve day, that evening's church service, and a tempting dinner afterward. The tale ends on Christmas Day morning with Cuddlebug's grateful prayer to God to thank Him for sharing Jesus's birthday with us. The author wrote this true story and two more Cuddlebug installments to share themes that will resound with children and parents alike. Jill has brought the touching tale to life with her little bugs' discussions and activities. Her book has given a unique take on the real meaning of Christmas from children's points of view.

GREENSBORO, NC—DECEMBER 15, 2014—On a typical, busy Christmas Eve morning, Cuddlebug awoke to a fresh snowfall and mouthwatering smells from Motherbug's baking. He joined two of his best friends, Alex and Drew, on sled rides. When their friends Taylor and Britt joined the boys, the little bugs discussed Christmas. Their discussion gives readers insights into all five bugs' personalities. Britt, the teacher in the group, did a terrific job explaining things.

After sledding, Cuddlebug had another discussion with his mother. He queried her about Santa Claus and reasons for giving gifts. Unbeknownst to Motherbug, he proceeded to gather many of his toys in a box to take to church that evening to give to others. His mother was proud when he showed her the full box.

The five little bugs learned a lot that day. They understood better the real meaning of Christmas and giving. Each of them brought to church things to give to others. After dinner, the friends relaxed and discussed Christmas: conditions in the Bethlehem stable, the wise men, and Santa Claus. When Cuddlebug and his mother left the church, she assured him that all the gifts there would be delivered to people who needed them.

The book's gently educational lessons teach about Christmas and reasons for giving from children's points of view. Thoughtfulness and giving back as a way of saying thank you are encouraged. The various story threads can lead to thought-provoking discussions.

Cuddlebug in God Made Santa Claus Too is a touching, educational picture book for children. It offers kindhearted real-life lessons from which children and adults alike will benefit.
